Ogni momento nella tua casa è speciale.
Un'occasione per sfuggire dalla frenesia
della quotidianità, un'opportunità
per ritagliarsi istanti di autentica serenità.
Intorno alla tavola, si consuma un quotidiano
rituale di piacere, un istante da preparare
con passione e cura dei particolari.

Un attimo magico per dedicarsi
a se stessi e alle persone che si amano,
un'occasione per dare spazio a un'opera
creativa, facendo della cura dei dettagli
un gioco di luci e colori. Sarà l'ispirazione
individuale a creare uno spazio
luminoso, moderno e dinamico di raffinata
eleganza e rilassante rapimento.

yourself to moments of authentic peace.
Around the dining table, a daily ritual
of pleasure takes place, a moment to prepare

L'UNICITÀ DEL MADE IN ITALY

I servizi tavola 18 pezzi Andrea Fontebasso Made in Italy presentati all'interno del catalogo 2024 sono realizzati grazie alla innovativa tecnica di decorazione digitale e al nostro saper fare italiano. L'intero processo di realizzazione è effettuato in Italia a garanzia dell'eccellenza di ogni fase che include progettazione, design, ideazione decoro, realizzazione, verniciatura, decorazione e cottura, imballo e spedizione, fino all'assistenza post-vendita.

Il risultato è una bellezza senza tempo e una qualità superiore grazie alla maestria del processo creativo e produttivo italiano abbinata ai vantaggi della tecnologia di stampa digitale del decoro che, insieme, assicurano un decoro indistruttibile, che non sbiadisce e rimane invariato nel tempo.

UN PROGETTO ECOSOSTENIBILE

La filiera corta di un progetto tutto realizzato in Italia concentra le attività in un unico luogo evitando una serie di consumi che sarebbero altrimenti necessari per spostamenti o lavorazioni esterne. Inoltre, scegliere un prodotto della linea Made in Italy Andrea Fontebasso con decoro stampato digitalmente contribuisce a salvaguardare l'ambiente in quanto la produzione richiede minori consumi energetici, per la particolare tipologia di cottura e lavorazione che necessita.

THE UNIQUENESS OF MADE IN ITALY

The Andrea Fontebasso Made in Italy collection table set presented into the 2024 catalogue are created thanks to the innovative digital decoration technique and our Italian know-how.

The entire manufacturing process is carried out in Italy to guarantee the excellence of each phase: planning, design, decoration design, creation, coating, decoration and firing, packaging and shipping, after-sales assistance.

The result is a timeless beauty and superior quality thanks to the mastery of the Italian creative and production process combined with the advantages of digital decoration printing technology which, together, ensure an indestructible decoration, which does not fade over the years and remains unchanged.

A SUSTAINABLE PROJECT

The short chain of a project entirely carried out in Italy concentrates the activities in a single place, avoiding a series of consumptions that would otherwise be necessary for transportation or third-party processing. In addition, choosing a product from the Andrea Fontebasso Made in Italy line with a digitally printed decoration helps protect the environment, as the production requires lower energy consumption, due to the particular type of firing and processing that it requires.

Andrea Fontebasso Cottura

AF1760 - LUXURIOUS DESIGN

La nuova linea cottura di Andrea Fontebasso
New cooking collection by Andrea Fontebasso

La nuova linea di cottura "AF 1760 - Luxurious Design" prende il nome dall'anno di nascita dell'Andrea Fontebasso 1760, storica azienda di ceramiche Trevigiana che fonda le proprie origini nella nostra stessa storia.

"Imperial Regia Privilegiata Fabbrica", titolo conferito nel 1866, è un esempio di come una realtà eccellente nel nostro panorama manifatturiero sia evoluta da artigiana a realtà industriale, mantenendo nel proprio DNA la ricerca della qualità.

Una proposta elegante fatta di materiali di prima scelta, dettagli ricercati con la marcatura fatta nell'inserito in acciaio dei manici, che riportano il nome del brand Andrea Fontebasso.

Nel 1700 con la comparsa dei primi servizi preziosi di posate e vasellame, venivano spesso riportare le iniziali delle famiglie facoltose e nobiliari dell'epoca, con lo scopo di assicurarsi la non facile sottrazione delle suppellettili e di mostrare orgogliosamente il proprio prestigio.

Nella nostra proposta la punzonatura rivendica invece la propria storia e tradizione, indicati come un bene unico da rivendicare e preservare.

The new "AF 1760 - Luxurious Design" Cooking Collection takes its name from the year of birth of Andrea Fontebasso 1760, a historic Treviso Ceramics Company that found its origins in our own history.

"Imperial Regia Privilegiata Fabbrica" is the title conferred in 1866, it's an example of how an excellent reality in our manufacturing landscape has evolved from an artisan to an industrial reality, keeping the search for quality in its DNA.

This is an elegant proposal made of first choice materials, refined details with the marking made in the steel insert of the handles, which bear the name of the Andrea Fontebasso Brand.

In 1700, with the appearance of the first precious sets of cutlery and pottery, the initials of the wealthy and noble families of the time were often reported, with the aim of ensuring that the furnishings were not easy subtraction of furnishings and to proudly showing their prestige.

In our proposal the hallmark, on the other hand, claims its own history and tradition, indicated as a unique asset to be claimed and preserved.
